

**Mentor Securities acted as exclusive buy-side advisor to Alpine Investors**

**Has been acquired by**

Mentor Securities, a premier investment banking and M&A advisory firm, is pleased to announce that our client, Alpine Investors, a prominent Westcoast based private equity firm, acquired Healthmaster Inc in March of 2019. Healthmaster joined Alpine's Perennial EdTech platform, which has subsequently been acquired by Frontline Technologies Group, LLC.

#### **Healthmaster**

Healthmaster was founded in December 1989 to develop and market a Software as a Service (SaaS) management product to automate the school health office and enable schools to efficiently record and access the immunization and health histories of their student population. Healthmaster is one of the largest software companies in the U.S. dedicated solely to providing secure, hosted, School Nursing electronic medical record (EHR) software, Special Education IEP case management, Mental & Behavioral Health case management, Risk Management, Advanced Reporting, and integrated Medicaid claim processing to public and private school districts throughout the country.

#### **Alpine Investors**

Alpine is a people-driven private equity firm that is committed to building enduring companies by working with, learning from and developing exceptional people. Alpine specializes in middle-market companies in the software and services industries. Its PeopleFirst™ strategy includes a CEO-in-Residence™ program, where Alpine partners with CEOs first and places them into companies as part of the transaction. This provides a distinct solution for situations where additional or new management is desired post-transaction.

#### **Mentor Securities**
