Mentor Securities, a premier M&A Advisory firm, is pleased to announce that its client, Pacifica Wholesale Tile & Stone ("Pacifica"), was acquired by Architectural Surfaces Group, a leading importer and distributor of natural stone, engineered stone and tile for residential and commercial applications ("ASG"). Pacifica is a premier source for distinctive stone slab and tile products for the Southern California market. From their expansive showroom and warehouse located in central Anaheim, they focus on exceptional customer service and superior product quality.

Allen Siadatian, Vice President of Pacifica, shared his thoughts on ASG: "They are a great fit for many reasons, including expansion of the product line and increasing the customer base in the mid to high-end part of the market. It's a natural fit to carry their Pental Quartz line."

On working with Mentor during the transaction, Siadatian added, "Mentor and Justin were an awesome choice. We had interviewed many before selecting them, and to our surprise, everything they told us in the beginning and during the process was exactly what happened. We were very pleased with the interaction, and extreme professionalism. The profound knowledge of industry and process was a great attribute to close the deal well above our expectations."
